STORIES

GRANTEE PROJECTS

Birthday Care Packages Jessica, ON

This project will use the donated funds to assemble birthday-in-a-bag packages that will be shared with families in need through a number of local food banks. These packages will include a boxed cake mix, icing, sprinkles, candles, and a few decorations to allow the family to celebrate their child's birthday within their "social bubble."

Senior Games and Care Packages

Emma, PEI

This project will involve creating a bond with seniors in a community home by taking small,

consistent actions. We will do activities across three weeks. We think that this population of people has been greatly affected by the COVID-19 pandemic as they have had limited visits and slim to no outings. This endeavour, we believe, will bring them great happiness.
